

Barcelona, 23 October 2012

Dear Sir/Madam,

Please find enclosed a description and programme and a registration form for the **Virtual Course on Judicial Cooperation in Criminal Matters**, organised by the Spanish Judiciary School.

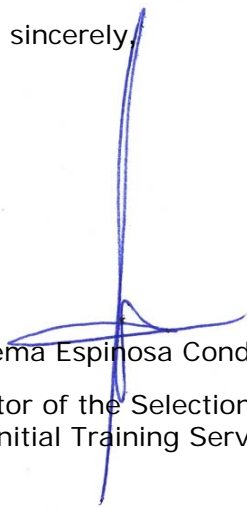

The activity will begin on 20 December 2012 with an initial virtual phase, and will end with a face-to-face assessment meeting. This meeting will be held in Madrid or Barcelona in October 2013 and may be attended by those participants who have successfully passed the first virtual phase. The organisation will cover the session's travel and accommodation expenses.

The period for submitting applications for both parts of the course will remain **open from the present date until 23 November 2012**, and we would therefore be grateful if you would circulate this information as extensively as possible among your national judges and magistrates and provide us with a list of interested persons ordered according to the priority of your institution, as well as providing applicants with the pertinent forms prior to the aforementioned date.

The Judicial School will inform participants of their admission by 30 November 2012 and will contact the selected candidates a few days before the course beginning to supply the necessary information for commencement of the activity.

I wish to thank you in anticipation of your collaboration in this matter.

Yours sincerely,

M. Gema Espinosa Conde  
Director of the Selection  
and Initial Training Service
