*Maria Alexandra Aragao*

## Objective

This two-morning webinar aims at providing a comprehensive update on the CJEU's recent judgments in the field of nature protection. Through interactive lectures, participants will receive an overview of the case law of the EU Courts, the fundamentals of EU environmental law, and their role in national implementation of EU environmental legislation on nature protection and Environmental Impact Requirements. The webinar aims to serve as a platform to promote judicial dialogue and cooperation of practitioners within the judiciary.

## About the Project

This seminar is part of a large-scale project sponsored by the European Commission with the title 'Cooperation with national judges in the field of environmental law'.

## Who should attend?

Judges, court staff, and prosecutors interested in environmental law.

## Online conference

Hosted on Zoom

## Networking opportunity

Our legal training events offer a fantastic opportunity to connect with legal professionals and high-level speakers from different parts of Europe. Together, you will have the chance to network during our coffee breaks.

Programme may be subject to amendment.

Times indicated are CEST  
(Central European Summer Time)

## Apply online

### “Recent CJEU Case Law on Nature Protection and EIA Requirements”

Online, 1-2 October 2025 / Event Number: 425DV136

## Terms and conditions of participation

### Selection

1. Participation is only open to judges, prosecutors, and court staff from all EU Member States.
2. The number of places available is limited. Participation will be subject to a selection procedure.

Selection will be dependent on:

- i. the relevance of the seminars to the professional life of the applicant;
- ii. geographical and linguistic balance among the participants will be sought;

3. Online applications can be made until **10 September 2025**.
4. A response will be given to every applicant of this workshop shortly after this deadline.

### Registration Fee

5. There is no registration fee.

### Participation

6. Participation at the whole workshop is required and your presence will be monitored.
7. A list of participants including each participant's address will be made available to all participants unless ERA receives written objection from the participant no later than one week prior to the beginning of the event.
8. The participant's address and other relevant information will be stored in ERA's database in order to provide information about future ERA events, publications and/or other developments in the participant's area of interest unless the participant indicates that he or she does not wish ERA to do so.
9. A certificate of attendance will be issued electronically after the end of the workshop.
